BBJ FreshDuct Odor Eliminator

It encapsulates odors at the source, not just cover them up. Its advanced technology destroys odors on contact to freshen and deodorize air ducts, basements, attics, crawl spaces and other areas prone to odors.

BBJ Maintain C-1 For Floors and Walls

A concentrated antimicrobial for use on interior surfaces to control and inhibit the growth of mold and fungus. Each 15 ounces container makes 7.5 gallons of product.

BBJ Maintain C-1 for HVAC Systems and Air Ducts Walls

A concentrated antimicrobial for use in HVAC Systems and Air Ducts. Controls the growth of microorganisms in the entire system.. Concentrated 15 ounce container makes 7.5 gallons.

BBJ Micro Coil Clean

It is highly effective detergent-based formula containing specially engineered surfactants, is specially formulated for preventative maintenance use to remove soils and deposits from cooling coils without damaging metal surfaces.

BBJ Mold Control for Floors and Walls

It is highly effective in controlling and inhibiting the growth of active microorganism such as gram negative and gram positive bacteria, mold and other fungi that grow on interior surfaces. Ready to use.

BBJ Mold Control for HVAC Systems and Air Ducts

It controls and inhibits the growth of microorganisms – such as gram positive and gram negative bacteria, , and mold – that form a bio-film on cooling coils and other working parts of HVAC/R systems and Air Ducts.

BBJ Mold and Mildew Remover

It combines the germ killing ability of a disinfectant with a cleaning agent to remove harmful mold and mildew. Specially formulated to clean and disinfect walls, floors, and other surfaces where mold and mildew grow.

BBJ Mold and Mildew Remediation Concentrate

It combines the germ killing ability of a disinfectant with a cleaning agent. It disinfects and cleans hard, non-porous, inanimate environmental surfaces such as air-conditioning vents, grilles, diffusers and other hard surfaces where microbial contamination may accumulate.

BBJ Power Coil Clean

A non-caustic, non-corrosive heavy duty coil cleaner that safely cleans and deodorizes evaporator coils, condenser coils, heating coils, window units, air filters, blowers, and other dirty HVAC/R components without damaging metal surfaces.

The BBJ Green™ Promise

BBJ Green Products are created on the principle of minimal chemical content, biodegradability and low toxicity to humans and pets. We strive for the lowest environmental impact consistent with improved indoor air quality.

- EPA Registered Products that eliminate mold and other contaminants
- No CFCs
- Bio-Degradable
- No protective suits or respirators required
- No building evacuation required
- Antimicrobial
